O CANADA

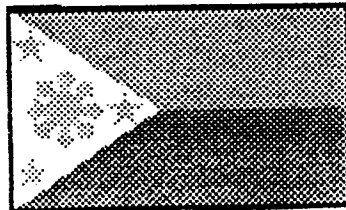

Our National Anthem

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We Stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

PHILIPPINE NATIONAL ANTHEM

Pambansang Awit

Bayang magiliw, Perlas ng Silanganan
Alab ng puso, sa dibdib mo'y buhay.
Lupang hinirang, duyan ka ng magiting,
Sa manlulupig di ka pasisiil.
Sa dagat at bundok, sa simoy at sa langit mong bughaw;
May dilag ang tula at awit sa paglayang minamahal,
Ang kislap ng Watawat mo'y tagumpay na nagniningning;
Ang bituin at araw n'ya, kailan pa ma'y di magdidilim.
Lupa ng araw, ng luwhati't pagsinta
Buhay ay langit sa piling mo
Aming ligaya na pag may mang - aapi,
Ang mamatay ng dahil sa iyo.

GREETINGS

March 27, 1993

It's a pleasure for me to congratulate my fellow officers and the new members of the RADIO MAHARLIKA INTERNATIONAL.

Short wave and Citizen Band (C.B.) radio's are the most effective way of communication across the country and around the world. It is also an excellent communication gear since World War II as well as the professional and amateur radio operators.

I am also pleased to welcome all the other various C.B. organizations around the world to join so that we have a harmonious and kind friendship not only in our community but around the nations. Our goal is with a cause, help and serve the public and the community in emergency situations specially on the road. We are also a non-profit organization and non-political organization.

On behalf of the Radio Maharlika International Communication group of Toronto Canada, I welcome you all to this special event.

I wish to thank all the sponsors, patrons, and advertisers on their financial support to this organization. I hope I see you again next time. Thank you and Mabuhay.....

Message

by

Former President 1991 - 1992

March 27, 1993

Greetings to every one.

The pleasure is mine to hand the RADIO MAHARLIKA INTERNATIONAL to a set of officers whose dedication and willingness for the good of the club is unquestionable.

I saw this club wrestled to the point where it is now. I know the dedication, time and means spent by some of us to let the wheels start turning. We are going to achieve our ideals. Once we reach a certain momentum, we will be unstoppable. this club is going to reach it's goals and objectives.

Our aims are high, our challenges are great. I enjoin each one, therefore, to cooperate with our newly elected officers to make sure, their tenure will be a success.

Good number to each one, 73 and 51. May your pursuit be for the good of the club. And let me say one more time, "May kopya ba dyani?"

Striking news, the brother of "Kuneho (668)" is in Princess Margaret Hospital diagnosed "cancer of the blood". Jose Gonzaga age 42 needs a "bone marrow" transplant. There is a donor available at this time but they need financial support because the donor is coming from California. Lawin Communication and Golden Star spoke with us on the radio and they are willing to help. We would like to ask all the members of Radio Maharlika to cooperate and also, we will ask all the Filipino community here in Toronto through news papers. We are going to sponsor the fund raising program and also we are going to send all information to all C.B. groups across Canada and US for Donations. For more infirmations, please contact Pedro Aspilla (416) 454-8823 or Ferdie Caluza (416) 206-0745.
